

## 4 Night Flying Fiordland

14-18 July 2016

\$2,026pp including transfers  
plus helicopter transfer \$575pp

### Highlights of this adventure into a World Heritage Park

- Take in the amazing views as you fly by helicopter over the snow-capped mountains and spectacular terrain to the vessel from Te Anau into Breaksea Sound. This is a flight like none other
- Travel in the path of Captain James Cook and learn all about the rich and fascinating history of his early voyages to this remote part of New Zealand
- Visit historic sites such as: the first European house site, first recorded shipwreck in New Zealand and where the first vessel was built by Europeans in 1795
- Visit Astronomers Point where Captain Cooks Astronomer cleared the trees and recorded a transit of Venus at his first landing in Fiordland
- Walk through beautiful remote native rainforest that has never been cleared, it is still in its original state as it was before man stepped foot on the land
- Get up close to stunning roaring waterfalls as they cascade down steep, sheer cliffs
- Fish for grouper and other big species in the bountiful waterways of this pristine area
- We often have the extreme privilege of sighting whales in their natural habitat and playful bottlenose dolphins often join in for a race with the ship's bow
- Discover the raw dramatic beauty of Fiordland's coast as you travel north to Doubtful Sound where we often see Mollymawks and Albatross. Few people get to see this remote part of New Zealand
- Visit the unique Manapouri Power Station. The Power Station is located deep underground in the south-western arm of Lake Manapouri (*at the operators discretion*)

### Experience scenery like nowhere else in this largely uninhabited world

All shore excursions are optional, you may wish to stay on board and relax. *Please understand you are responsible for your own safety and actions during any unguided walks.*
